FSKSM, UTM Skudai, JB

Nov 2011

Tasks

- I was required to find the appropriate feature selection (FS) algorithms
- Candidates are Particle Swarm Optimization (PSO), Rough Set

Results

From replication of experiment X, I managed to derived the following results:

The following were done

ni example

- test1
- 2

ni block

- test1
- 2

ni alert

- test1
- 2

Conclusion

Feature selection algorithms using algo X is suggested
